³Tell the whole community of Israel that on the tenth day of this month each man is to take a lamb for his family, one for each household. ⁴If any household is too small for a whole lamb, they must share one with their nearest neighbor, having taken into account the number of people there are. You are to determine the amount of lamb needed in accordance with what each person will eat. ⁵The animals you choose must be year-old males without defect, and you may take them from the sheep or the goats. ⁶Take care of them until the fourteenth day of the month, when all the people of the community of Israel must slaughter them at twilight.
