The Heidelberg Catechism Part 2: Deliverance Lord's Day 17

Question & Answer 45

Q. How does Christ's resurrection benefit us?

(Matthew 28:1-10; 1 Corinthians 15:3-5)

A. First, by his resurrection he has overcome death, so that he might make us share in the righteousness He obtained for us by his death. (Romans 4:25; 1 Corinthians 15:16-20; 1 Peter 1:3-5)

Second, by his power we too are already raised to a new life. (Romans 6:5-11; Colossians 3:1-4)

Third, Christ's resurrection is a sure pledge to us of our blessed resurrection. (1 Corinthians 15:12-15; Philippians 3:20-21)
