The college students REALLY appreciate these packages!! They enjoy the snacks and also being remembered. Our students are **Ryan Fletcher, Nathan Eschweiler, Amy Halstead, Stephen Halstead, Keri Koenig, Bobby Humphrey, David Timmer, Debora Timmer, Joel Vastbinder & Rachel Wilson.** If there is someone else in college, please let Pam Reimink know so we can include them.

**El Potrero CRC/Community Walking Bridge Project:** The El Potrero community is divided by a river that runs through the community. During the rainy season, part of the community is unable to cross the river to access the El Potrero Elementary School, El Potrero CRC Church and they are unable to travel to the neighboring community that has the only health clinic in the area due to the flood stage of the river. Community CRC is seeking to raise \$20,000 to build the walking bridge that the Calvin Engineering students

are designing. If you would be willing to donate to this project, please make checks to Community CRC and designate it to El Potrero Project.
